On the heels of Waterbar's welcome new happy hour, neighbor and fellow Kuleto property EPIC Roasthouse has announced its own. The "Holy Cow" happy hour from 4 p.m.-7 p.m., Monday through Friday, features a menu of \$5 cocktails (including an updated Sazerac), \$7 martinis, and a selection of \$5 wines by the glass and \$2 bottled beers. Bar bites begin at \$3 and include homemade pretzels with smoked sea salt and grain mustard sauce, marinated olive salad, and confit of chicken drummettes with molasses blood orange barbecue sauce. Additionally, EPIC is now serving a three-pound burger with all accoutrements, paired with an ice-cold Budweiser and house-made brownie for \$20 every day for lunch. Holy cow.
