SAN FRAN: A DOZEN DEBUTS

The weather will always be the No. 1 reason to visit San Francisco in October. But if the crisp, sunny days and starry nights aren't enough, here are 12 more incentives to visit our neighbor up north.

EAT ALL ABOUT IT:

And on the Embarcadero, larger-than-life restaurateur Pat Kuleto (Farallon, Boulevard) has opened **Epic Roast House** (369 *The Embarcadero*, 415.369.9955, www.epicroasthousesf.com) and **Waterbar** (399 *The Embarcadero*, 415.284.9922, www.waterbarsf.com). The former is a classic steakhouse, wood-fired and smoky, for which acclaimed chef Jan Birnbaum has returned to the city after many years in Napa, while the latter is an aquarium-festooned sea fantasy with amazing seafood. Both share an unrivaled view of the Bay Bridge.
