## SURF AND TURF

### Docked on the Bay

San Francisco restaurateur Pat Kuleto debuts two waterfront restaurants on the city's Embarcadero. Walled by **floor-to-ceiling aquariums**, Waterbar serves seafood from chef Mark Franz of Farallon. At EPIC Roasthouse, chef Jan Birnbaum prepares meats in custom-built wood-fired grills and ovens. Both share panoramic views of the Bay Bridge, along with a common **outdoor dining piazza** from which to best regard it. 399 and 369 Embarcadero Roadway; [www.rinconparkrestaurants.com](http://www.rinconparkrestaurants.com)
